The annual meeting will be the first Sunday of the month, May 7. Please join us for a potluck breakfast and the annual meeting, which includes adoption of the budget for next year, election of the board, recognition/reflection on the year just ending, and thoughts about the year ahead. If you can, please stay after to help with the annual spring clean-up.

Pledge forms for the 2017-18 fiscal year will be available at the annual meeting. If everyone is able to renew their pledge at the same level as this year, we will be able to support diverse programming, continue to pay down the mortgage, and undertake further energy upgrades on the building. We will also be able to meet our obligations to the UUA, fund social action projects, and maintain a healthy reserve fund. A pretty impressive set of accomplishments for our small group! So please consider if you are able to continue to support our community as you have so generously done.

Poetry discussion: The focus will be on "The Presence," by Maxine Kumin, but will also consider "A Limited Degree" by Leonard Cohen, and "The old me" by Ken Hood.

We will have two guest service providers this month: On the 14th, Rev. Julianne Lepp, Minister of the Eau Claire congregation returns to share her insights. The following week we will greet Rev. Nels Oas. He served as the interim pastor of the Unitarian Universalist Fellowship of the Emerald Coast in Valparaiso FL. Valerie Rude heard him there and was inspired to get him here to share his ideas with us.

The summer schedule begins on June 4. Meeting time 10:30, programs vary from open discussion to regular services. A schedule will be forthcoming. If you have a program you wish to share, contact Judy Barisonzi.
