Pledge forms for the 2017-18 fiscal year are now available. If everyone is able to renew their pledge at the same level as this year, we will be able to support diverse programming, continue to pay down the mortgage, and undertake further energy upgrades on the building. We will also be able to meet our obligations to the UUA, fund social action projects, and maintain a healthy reserve fund. Please return your pledge form and skills form to the Treasurer, Pat Shifferd
