If you are able to help Gerri with the Benjamin House meal, please contact her at geri-jack@centurytel.net

Please note the schedule for our new program, Wednesday Nights at BHUUF. These programs are intended to broaden our presence in the community by providing presentations/discussions of substance that will encourage understanding of the multiple sources of our UU spiritual traditions. The events are designed both for our members and for those who cannot or prefer not to come on Sunday mornings. Coffee and light refreshments will be provided. These will replace the matching Sunday Forums
