Finally, we welcome back our musical friends February Sky (Phil Cooper & Susan Urban) the last Sunday of March. They specialize in presenting music-based services at various UU churches and fellowships. This service to UU congregations dates from the 1980's. In 2013, Phil and Susan moved to the Upper Peninsula of Michigan and became full time musicians and UU service presenters. They have produced five CDs of original and traditional music. See their website for more information: [www.februarysky.com](http://www.februarysky.com) There will be neither a Forum nor TED talk that day, since our guests need time to set up their instruments and mics.
