This month we welcome back guest service providers Jane Shoup and Rev. Bruce Johnson. Ms. Shoup comes from the Stevens Point area and Rev. Johnson serves the Duluth UU congregation.

Also note that on April 29 we will be travelling to St. Croix Falls for another joint meeting with our fellow UUers from Menomonie and St. Croix Falls, Taylors Falls Depot. Topic: Everyday kindness - Jim Price. A brief talk exploring barriers and opportunities for everyday kindness -- enough to prime small group discussions with our guests from out of town. We'll distribute kindness cards that can be explored and used later.

The annual meeting will be the first Sunday in May. A draft budget for next year will be forthcoming sometime in April. The treasurer welcomes suggestions about spending priorities for 2018-19.
