We will have two guests this month: On the 11th, Marty Sozhansky from the Duluth congregation will once again join us. For the 18th, Jude Genereaux has invited Don Karsky of St Croix Falls to lead us in a drum circle, interspersed with poetry selections and music. If you have a favorite poem of the natural world, bring to share at the circle. And don't forget your drum! If you have neither - both will be provided.
