Moving forward we will begin an experiment with a new structure for our time together. This is designed to allow for more flexible programming to make room for our group's many interests while maximizing the time for face-to-face interchange. The plan:

- 10:00 Service
- c. 11:00 After a brief bathroom/coffee refill break, reconvene to discuss the ideas raised in the service or break into special interest groups (RE, meditation, drumming, book club, etc.)
- 11:30 Coffee and or potluck

We begin our new autumn schedule with the Ingathering on Sept. 8. Valerie Rude will provide an illustrated "travelogue" of her summer adventure, and as is our tradition, bring a stone to add to our altar with your stories of summer. Our friend from MidAmerica, Rev. Phil Lund will provide the service on Sept. 22.
