

June Calendar

This month we begin our new program schedule which will roughly alternate in-person and on-line services. When we have mastered the technology, the in-person services will be made available on-line for those who cannot attend in-person. If you have not been vaccinated, we request that you wear a mask while in the church building.

NOTE TIME!

Of his service Dennis says: "There are so many references here. The song by Mitchell Parish and Hoagy Carmichael. A 2007 movie, based on the novel by Neil Gaiman. A track by the Dutch "doom metal" band Officium Triste. Or perhaps most importantly, the understanding popularized in Cosmos by Carl Sagan that "we are made of star stuff." Take a walk with me through the stars, and explore what star dust means to us!"

We welcome Suzanne Wasilczuk back for our father's day service, to be held at the church. The 20th will also see the resumption of our 3rd Sunday potlucks!

You can access the GA worship service at home or you can join with others at the church building to watch the service together.
