

January Calendar

We continue to refine a hybrid model for programming which combines people gathering at the church with others linked in remotely through ZOOM. If the presenter is at the church, those on ZOOM will be able to see and participate. Conversely, if the presenter is at a remote location, those who wish to gather at the church can see the presentation on screen, participate, and enjoy each other's company as well. Links will be sent out on Saturdays. If you have not been vaccinated, we request that you wear a mask while in the church building.

Dennis will be at the church in person and notes: What kind of traveler are you? Do you have visions of mountains, oceans, faraway cities that your heart burns to see and experience? Do you explore within, dreaming in your imagination rather than physically there? Do you read of "strange new worlds, new civilizations," going where no one has gone before? Do you go there in books, movies, or your imagination? Let's travel together!

Kendra and Brittany will join us via zoom.
