Arthur says this about his service: "Is there a self-aware entity who is omnipotent, omnipresent, and beneficent? Our society is overwhelmingly populated by people who say that they believe in "God" with the capital "G". What do they mean, and can those of us who are humanist find common ground or vocabulary with them?"

Dennis says this about his service: "I've harangued about education before: the need for it, the topics required, the applicable age groups, etc. But it's usually been in passing, connected with another "main" topic. This time education is the main topic. Let's look together at one of the most foundational, crucial topics for our era."

Those of us who are available will tune in or gather for a holiday celebration on Christmas morning. We will share memories, music, and reflections of the season. Those at the church will get cookies! 😊 Those out in zoom land will have to provide their own cookies. . . 😞

Hannukah is December 18-22

Kwanzaa is December 26-January 1
