

June Calendar

The hybrid model for programming which combines people gathering at the church with others linked in remotely through ZOOM continues as will use of the new camera/microphone (OWL) which allows the people on zoom and at church to see and hear each other better. While the services begin at 10, the zoom room will be open at 9 for those who wish to engage in conversation about a variety of topics and issues.

Dennis Peters' service this month will focus on how we treat others. He says: How do you treat your family members? Your pet(s)? Do you try for the best for them, try to treat them well? What about your neighbors? Not just the ones you consider your friends, but how about that guy at the corner who keeps threatening to sue those around him for property line disputes, or claiming your dog does his business on his lawn, or generates conspiracy theories about... everything?

The DeMasi Brothers have this to say about their musical program: Our program is called "Let Freedom Ring". Many of our freedoms that we have taken for granted for many decades are coming under attack including a women's right to choose, freedom of speech, the freedom to vote, freedom from book censorship and many others. Supply side economics has seen a huge decline in middle class prosperity and wealth.
