

October Calendar

The hybrid model for programming which combines people gathering at the church with others linked in remotely through ZOOM will continue for the foreseeable future since we are scattered geographically and have various abilities/inclinations to travel to Rice Lake. While the services begin at 10, the zoom room will be open at 9 for those who wish to engage in conversation about a variety of topics and issues.

Rev. Copas is the minister of the UU Church of Tampa FL.

Dennis says this about his service: “How many times do you hear of people with special abilities: amazing memories, perfect pitch, lightning calculation, HSAM (or Highly Superior Autobiographical Memory), and many others. Do they give up anything to have these gifts? Why don't I have any of those things??? Let's explore a little, and see some examples. And then maybe take a look at what some think might be avenues of growth for us.”

We welcome back long-time friend Arthur Thexton, who will provide the first of 2 services on the history of our denomination. And Rev. Terry Cummings will return also; we plan to hear from her regularly.
