Our annual Ingathering service will be a celebration of our spirited little community through music and readings. Kathy will play our choices of our favorite hymns from either the gray or teal hymnals. And readings can be anything that inspires you, including from the gray hymnal. In addition, there will be refreshments and the unveiling of a beautiful artwork given to the church by Judy's daughter in honor of her birthday. The artist Jean Arcola will join us for this special event.

Rev. Green, a graduate of the Starr King School for the Ministry, is a retired Community Minister & Chaplain. As part of her service, she will be speaking about the Alternatives to Violence Project, of which she is a Board member. Rev. Green now resides in southern California and comes to us via Zoom. (She is a close friend of Rev. Terry.)

The third Sunday potluck will be an even more special gathering: a celebration of Bob Hasman's 90th birthday.

Nick Schweitzer, congregation member and Board member of the Free Congregation of Sauk County: a Unitarian Universalist Fellowship, will speak to us about the Counter-Force Project, "a group of individuals dedicated to peacefully opposing attacks on our schools, our libraries, our local governments and our civic values." Nick will join us, either in person or via Zoom.
